### 2023-24 Sponsorship Form

*Thank you for your contribution!*

---

*“The single most critical factor in sustaining arts education in schools is the active involvement of influential segments of the community,”*

-The National Arts Education Partnership and the President’s Committee on the Arts and Humanities

---

The Lamar Orchestra is part of the Lamar Fine Arts Academy, which provides an accelerated arts curriculum for middle school students. The fine arts programs at Lamar welcome students from the entire Austin area who are accepted through the audition process. The orchestra program, led by Ms. Elena Martell, serves 75+ students annually.

Your generous tax-deductible contribution gives students the transformational opportunity to be part of a thriving music program and opens doors for students who otherwise could not afford the cost of fully participating in orchestra. **Plus, it gives you an opportunity to support both education and the arts, all in one donation!**

Your contributions will be used by FOLO to assist all Lamar Fine Arts Orchestra students by providing:

- Scholarship Funding for travel associated with educational opportunities
- Music equipment needs (e.g., music stands, stools, strings) and
- Workshop and educational seminars designed to expand their skills as musicians
