HELLO!

Hello Everyone!

I hope this letter finds everyone happy and healthy! It has been such a great start to the semester. Thank you to all the parents and students who helped at our instrument discovery days!

Scottie Orchestra Parents: In class we are learning music theory and note reading and have started our solo packet for Solo and Ensemble!

Symphony/Philharmonic Parents: Both orchestras have been working so hard to prepare for UIL Concert and Sight Reading! We are in our final weeks until contest. Thank you to everyone for being at sectionals and putting in the practice time!

Thank you again for all your support!
