HELLO!

Hello Everyone! Happy New Year!

I hope this letter finds you happy and healthy! I hope everyone a wonderful holiday and are staying warm during these freezing temperatures. I am so happy to see everyone back from break and we are ready to start the second semester full of contest, concerts and trips!

Scottie Orchestra Parents: In class we are learning music theory and note reading. We are working out of our Essential Elements for strings book. We have extras in class however if your student would like their own they are available for purchase on amazon.

Symphony/Philharmonic Parents: We are officially in UIL Contest Season! We will be having before and after school sectionals and rehearsals in the orchestra room until Spring Break. If you need a reminder of when your student has sectionals please see the schedule under important dates.

Thank you again for all your support!

Miss. Martell
