HELLO!

Hello Everyone!

I hope this letter finds everyone happy and healthy! Congratulations to Philharmonic and Symphony students on a successful UIL season. I am so proud of their hard work and commitment.

Scottie Orchestra Parents: In class, we are learning music theory and note reading and have started our solo packet for Solo and Ensemble! We will begin learning our Spring Concert music soon!

Philharmonic Orchestra: We are transitioning from UIL to Solo and Ensemble/Spring concert. There will be no more weekly after-school sectionals/rehearsals.

Symphony Orchestra: We are finished with String UIL and are doing a quick transition to Full Orchestra UIL. The sectional schedule will stay the same, and I will keep you all updated for full after/before school rehearsals.

Thank you again for all your support!
